

New Zealand Summer Tour

Regional Club Visits from Squash Professional

Paul Hornsby

Paul Hornsby, former New Zealand National Squash Coach and founder of PHSquash is doing a summer tour of New Zealand to make himself available to players and coaches who are interested in developing their squash skills and understanding of the game.

"Squash coaching and coach mentoring is something that I have enjoyed doing worldwide on a professional level for the past 15 years. During this time I have accumulated a wealth of knowledge of playing and teaching the game at all levels from junior beginner to senior professional. I have been fortunate to have developed my own skills and experience by assisting and working alongside some of the world's finest players and coaches. Having learnt so much from them, I am very passionate and take great satisfaction in sharing this, along with my own philosophies of the game, in order to help squash enthusiasts of all standards, both in playing and coaching capacities."
