WORKSHOP OUTLINE

The Roadshow workshops are designed to equip clubs with tools and ideas to strengthen the delivery of squash at their club. They will also inform clubs what is happening at Squash New Zealand.

Each workshop will be tailored towards the clubs attending and the challenges they are currently facing. Key topics that will be discussed will include;

- How to attract your target audience into your club
- Good practice examples from around the country
- Commonwealth Games promotional campaign
- Where can you access support to strengthen your club

Who should attend?

All District and Club personnel: managers and staff, committee members and volunteers.
